Cadd9
At the end with a pot of gold
G

Cadd9

Cadd9
Where the biggest treasure lies

Chorus

G D/F# Am Cadd9
In You I find, more than anything, everything the world supplies
G D/F# Am Cadd9
In You I find, that for me to live, I should die, give You my life

Vs. 2

Fame and Fortune, many think will satisfy
But it could come and it could go
Before we even blink our eyes
Everlasting, sacrificial love You gave
A priceless gift that I received
I know will never fade away
