

Not My Fight

Vs. 1

Bm A G A/F#
A battle rages deep in me, not one that human eyes can see
Bm A G A/F#
Struggling that I might be, liberated and set free
G A G A
Don't have to be afraid, to face another day

Chorus

 Bm A G
It's not my fight, to win tonight, it's Yours
 Bm A G
It's not my place, to bear this pain, it's Yours

Vs. 2

Just when I think it's at an end, hurting presses in again
Broken and so bruised within, sometimes I think I'll never win
I believe what You say, that You'll take it all away

Bridge

D A G
So hard to hide this fight I have inside
D A G
I give it to You, now that I realize
D A G
So hard to hide this fight I have inside
D A C
I give it to You, now that I realize
