

# One Step Away

## Vs. 1

E F# G#min7 E F# C#min7  
A thousand steps from You, saying what's the use  
E F# G#min7 E F# C#min7  
No matter how I try, I slip and fall and don't know why  
E F# G#min7 E F# C#min7  
Time and time again, I run from You, trying to live  
E F# G#min7 E F# C#min7  
I do it on my own, in a crowd but feel so alone  
(I wanna go back)

## Chorus

B B/D# E  
I turn around, I see Your face, open arms for my embrace  
B B/D# E  
You were only one step away  
G#min7 F# E  
There is no yesterday, I look ahead without the pain  
G#min7 F# E  
You were only one step away

## Vs. 2

I think of all I've done, I turn again to run  
How could You still love me, I'm someone I don't want to be  
A whisper in my ear, says release all my fear  
Grace is here for you, the choice is yours, what will you do?  
(I wanna go back)

## Bridge

B B/D# E  
Even though I slipped away, thank you God for saving grace  
G#min7 F# E  
You were only one step away
