

Unplug

Vs. 1

Bm D A Bm D A Bm
Noise is blaring down the hall, picture frames begin to fall
D A D A
In my room in this debris, hypnotized by my TV

Pre-Chorus

Em G Bm A
Distractions all around me, I need to cut the noise
Em Bm G A
Let the silence drown me, so I can hear Your voice

Chorus

D Bm G F# A
I'm caught up, I'm feeling trapped in this way I'm living
F# Bm G
Tangled in this web I've got the urge
F# A D
To unplug and feel the surge
Bm G F# A
Of Your love, of Your touch, of everything You're made of
F# Bm G
Tangled in this web I've got the urge
F# A Bm D A Bm D A
To unplug and feel the surge

Vs. 2

Phone is ringing in my ear, what You're saying, I can't hear
Breakin up my signals weak, besides I don't have time to speak

Bridge

G A F# Bm G
Something deep inside me cries, wake up now and realize
A G A
Rid myself of anything, that might come between You and me
